The Defense Systems Management College (DSMC), established July 1, 1971, is a joint service educational institution, and is the largest school in the Defense Acquisition University. The mission of the College is to promote and support the adoption and practice of sound systems management principles by the acquisition workforce through

education, research, consulting, and information dissemination.

In addition to a 14-week Advanced Program Management Course, DSMC's academic program consists of 29 other courses of 3 days to 4 weeks in duration, all with the purpose of educating DOD acquisition professionals, military and civilian, in a broad spectrum of management activities through formal
